(1) That if the Village Panchayet Scheme is to work satisfactorily it should be introduced into all rural areas without exception the jurisdiction of the Panchayet being confined to a single village or a group of neighbouring villages according to the convenience and wishes of the people.

Mr. Krishna Murthi Rao proposed an amendment " that the Panchayets to be formed on the application of the people of the villages." This was seconded by Mr. Hanumantha Rao. The amendment was put to vote. Seven voted for the amendment and 14 against. Thus the amendment was lost. The original proposition was then put to vote. Eighteen voted for and 1 against. Thus the original proposition was carried with the modification, " that the goal may be to convert all villages into Village Panchayets, but it must be done gradually."
